TOWN OF BURKE

**Open to residents of the Town of Burke only.**

**Questions? Contact Kevin Belida Clean Sweep Hazardous Waste Coordinator  
608.838.3212 | [Belida.Kevin@countyofdane.com](mailto:Belida.Kevin@countyofdane.com)**

## PREPARING FOR YOUR CLEAN SWEEP VISIT

- Package material in boxes or rigid totes to keep products upright and prevent spillage during transportation and unloading. Keep all materials in their original containers. If the container is damaged, place it in an individual plastic bag.
- **DO NOT** mix materials or co-mingle your waste in plastic bags.
- Transport gasoline or other fuels in an approved container (no larger than 6 gallons). Containers will not be returned.

## YEAR-ROUND HOUSEHOLD HAZARDOUS WASTE DISPOSAL

Dane County residents can safely dispose of household hazardous waste year-round at the Clean Sweep Facility for a fee of \$15/vehicle.

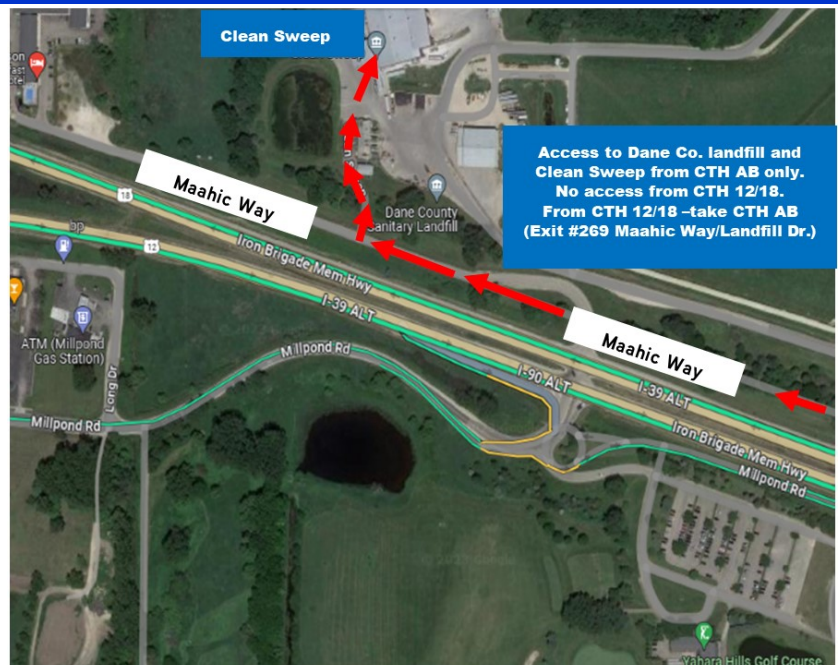

Clean Sweep is located at the Dane County Landfill -  
7102 Maahic Way  
Madison, WI 53718

**\*\*\*Access to landfill and Clean Sweep is from CTH AB only. From CTH 12/18 take CTH AB-exit #269 (Maahic Way/Landfill Dr.) No site access from CTH 12.**

Hours of operation are:

M-F 7:00 a.m. - 2:45 p.m.

Sat 8:00 a.m. - 10:45 a.m.

*Never leave hazardous wastes at any location. Abandoning hazardous wastes, even from households, is a State and Federal offense.*

## Clean Sweep's Product Exchange Room

After source reduction, we advocate for reuse of materials whenever possible. Clean Sweep accepts products that are still useable and redistributes them in their Product Exchange Room. Common items that can be picked up for free include: paints, solvents, cleaners, lawn and garden products, and automotive products.

## Disposal Options for Items NOT Accepted at Hazardous Waste Collection Event

**Medications (prescription or OTC)**- Med Drop Locations <https://safercommunity.net/meddrop/>

**Light bulbs**— Take fluorescent tubes and compact fluorescent lights to a hardware store (Menards or Home Depot). Dane County ordinance requires that all stores selling fluorescent bulbs and lamps must accept used lamps for recycling. Fees may be charged for small quantities from households. Regular incandescent bulbs can be thrown in the trash. White LED bulbs are accepted at Clean Sweep.

**Alkaline Batteries**- Throw alkaline, single-use & other disposable batteries in trash. Some retailers will accept for a cost.
